Super Heavy Duty Drawer Slides

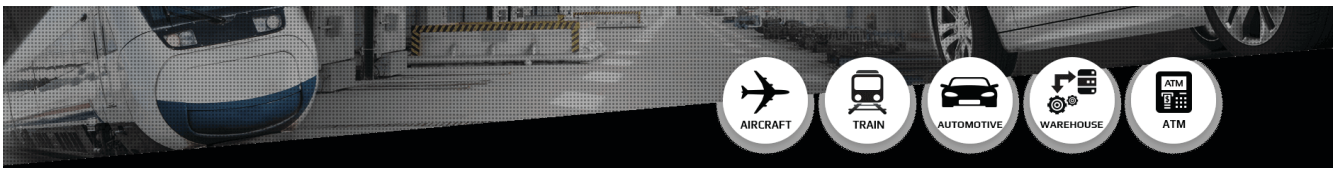
Genesis™ drawer slides are not a commodity product. They are engineered to meet a set of exacting standards for safety, load ratings, and performance.

We Can Deliver

Austin Hardware is proud to add Genesis™ Super Heavy Duty Drawer Slides to the market's most comprehensive, and ever growing, line of slides designed specifically for heavy duty applications. If you're in need of a heavy duty slide, Austin's Genesis™ brand has a solution that fits.

INNOVATIVE DESIGNS
MULTIPLE OPTIONS



Our product offering includes low profile, extra heavy duty steel slides with full extension rated up to 1,100 and 770 lbs. respectively; a corrosion resistant aluminum slide that is exceptionally strong with a rating of up to 660 lbs.; and a 4-member steel slide with over-travel up to 150% extension rates at up to 440 lbs.
